**From Biological Networks to  
Mechanisms of Diseases**

**WE'RE  
HIRING**

We are seeking for  
**Post-Docs and PhD Students!!**

If you are interested email to us at  
[livia.perfetto@uniroma1.it](mailto:livia.perfetto@uniroma1.it)

**WHERE**

PerfettoLab, University of Rome La Sapienza

**WHO**

Bioinformaticians and computational biologists

**WHAT**

Network-based multi-omic integration techniques to uncover mechanisms of disease and apply personalized medicine approaches.
